

Women Rock the World

Come and join us for the long weekend in August 8-11, (from dinner on Thursday 8 August; Friday 9 August, a public holiday - Women's Day to Sunday 11 August lunch). Let's celebrate the unique characteristics and facets which make women so important and give thanks for the women in our lives.

For this special weekend, any woman over 18 booking, or anyone making a booking for or including a woman over 18 years of age will secure a voucher for a pamper session for herself or that woman. The voucher offers the option of a free neck and shoulders massage (30 mins); a free mani incl polish (regret no gelish although soak-off can be done); a free pedi - same applies or a free foot massage (30 mins). Our beautician will also be on hand to provide additional beauty treatments as per the list below for a fee to male and female guests. She will also have her range of beauty products with her for sale.

Treat the special woman in your life to a well-deserved weekend, secure in the knowledge that not only will this be a great gift but that it is one which can be enjoyed by the whole family. A programme of activities will be provided on our website shortly.

Please note that, on arrival, ladies qualifying for the free beauty service will be required to reserve an appointment day and time.
